Skills

Programming: Proficient in languages such as C, C++, Python.

Quantum Computing: Keen interest and a foundational understanding of quantum computing principles.

Research: Demonstrated ability to conduct independent research, with a strong analytical mindset.

Education

Malviya National Institute Of

Technology

Jaipur, RJ

Bachelors In Technology [B Tech.],

2nd year: Electronics and

Communication Engineering

2026

Coursework in [Web Development](#)

Dissertation in [Quantum](#)

[Computing](#)

Summary

Enthusiastic and motivated second-year B.Tech student at MNIT, Jaipur with a strong foundation in programming and a passionate interest in the field of quantum computing. Eager to embark on a journey of exploration and innovation, with a drive to contribute to cutting-edge research in the realm of quantum computation. Possesses a solid grasp of programming languages and a commitment to advancing knowledge in this transformative field. Committed to leveraging academic knowledge, curiosity, and technical skills to make meaningful contributions to the quantum computing landscape.
